All-Inclusive Monthly Peer Advisory Business Forums

Participate in a confidential, professionally-facilitated monthly Forum designed to sharpen leadership, strengthen decision-making, and accelerate business and spiritual growth—with meals and hosting fully included.

Monthly One-on-One Executive Coaching (FOCUS60s)

Receive personalized, monthly coaching from your C12 Chair focused on supporting CEOs navigating leadership issues, Biblical discernment, business execution, accountability, and life balance.

Executive-Level Business, Leadership, and Ministry Curriculum & Resources

Access proprietary, world-class business and ministry curriculum designed to integrate operational excellence with biblical leadership principles.

Peer Advice, Strategic Counsel, and Problem-Solving Through Open Forum

Gain objective wisdom, accountability, and practical solutions from qualified peers who understand the challenges of leadership and business ownership.

Business as a Ministry (BaaM) Leadership Equipping and Frameworks

Learn proven frameworks and strategies for integrating faith, leadership, and eternal impact into everyday business operations.

Ongoing Leadership Accountability, Encouragement, and Support

Build meaningful relationships with peers who challenge, encourage, and hold one another accountable for growth in business, leadership, and life.

National and Global Christian Business Leader Peer Network Access

Connect with a global network of like-minded Christian business leaders for collaboration, best practices, and support.

Key Player Executive Leadership Development Program

Develop and align key leaders through executive peer Forums that strengthen leadership capacity, organizational alignment, and succession readiness.

Annual Core Business Presentation and Analysis

Receive annual 360 input, feedback and strategic counsel regarding your business, leadership and key decisions.

Proxy Access to 600+ Global C12 Business Forums

Attend C12 Forums outside your local group when traveling to expand relationships, perspectives, and learning opportunities.

Regional Leadership Workshops, Training Events, and Networking Gatherings

Participate in regional workshops, seminars, and gatherings that provide practical business insight and deeper community connection.

Real-Time Financial Benchmarking Insights

Leverage financial benchmarking tools and analytics to compare performance and identify opportunities for operational improvement.
